Veterans Service Officer's Update

Have you received a suspicious call from an organization claiming to represent or have affiliation with the Department of Veteran Affairs (VA)? Did the caller guarantee a lucrative payout for your disability compensation or pension claim for a "small fee"?

If so, you may be a target of a scammer. Recently, VA has seen an increase of fraudsters and non-accredited representatives who are targeting the pension benefits of elderly Veterans and their dependents and survivors.

VA is committed to defeating fraudsters, who target elderly Veterans, by educating them, their families, and all partners about the types of fraudulent tactics being used against them, including, Pension Poaching.

We also have the Winners for the Americanism/Patriotism joining us. They will be reading their essays. Come join us for this Special Event. Please join us on Memorial Day for Terri Streck and Kody Hageman fundraiser. If you have any ideas for this event, please let me know. Our prayers are with Terri and the family. Lisa Young-Tinnin

Kenneth E. Stumpf

Congressional Medal of Honor Recipient

Vietnam veteran Kenneth E. Stumpf passed away at age 77 on Saturday, April 23, 2022, in Tomah, Wisconsin. Kenneth was a member of Post 38 in Appleton, WI.

According to the Congressional Medal of Honor Society, Stumpf earned the top honor while serving in Vietnam. On April 25, 1967, Stumpf's platoon in Duc Pho, Vietnam, was attacked and three of his fellow troops were wounded in heavy gunfire.

"Ignoring the fire that was concentrated on him, Stumpf left cover three times to carry each one back to friendly lines. He then organized the remaining men to neutralize two enemy bunkers. Stumpf took on a third bunker by himself, despite machine gun fire directed on him, enabling the success of the mission and preventing further loss of American soldiers," the society said. President Lyndon B. Johnson awarded Stumpf the Medal of Honor for his heroic actions on that day.

"I've always said I didn't do anything above and beyond the call of duty," Stumpf said of his actions on the battlefield. "What I did was my duty. I had to do that... it was a responsibility that I had to my men."

Born in Neenah, Wisconsin, on Sept. 28, 1944, Stumpf was working at a factory job when he was drafted in 1965. He served three tours in Vietnam, and in 1994, he retired as a Sergeant Major after serving nearly three decades in the Army.

Be sure to watch the video below about Kenneth's life, interestingly, it includes playing American Legion baseball as a youngster and his account of the combat action that resulted in the Medal of Honor. (Reference 2)
