COTTONWOOD AZ

THE AMERICAN LEGION FAMILY

March 2022

2022 Volume 1 - Issue 1

Welcome back to all who have been wondering where the Bugle has been. My name is Joe Herman/ Post 25 Legion member and I have volunteered to help get the Bugle back on line. Let's start with an update on who are our current Legion officers .

- Commander : Bill Tinnin
- 1st Vice Commander: Nancy Hay
- 2nd Vice Commander: Dede Dexter
- Finance Officer : Neal McGuire
- Adjutant: Jim Galczynski

Upcoming elections for the New Year start with nomination in April and general membership vote in May. So don't hesitate to nominate someone or volunteer yourself.

A hearty congratulation to the Post Auxiliary, especially Terri Streck and her committee, for a huge success on the Valentine's Dinner and Dance. Great Job! There are plans in the works to do it again. No date set as of yet.

Another cause for celebration is the mortgage for Post 25 is paid off! Yee Haw!

We are in the process of raising funds for new flooring in the Bar. Any help would be appreciated.

REMINDERS

- March 18th 11:00am we will be streaming the Internment Ceremony for Brandon Kitts at Arlington National Cemetery.
- Legion Meetings are now on the 3rd Monday of the Month. E-Committee meets first followed by the General Member meeting at 5:30pm. We would appreciate seeing more of the members attend.
- No Bingo or Dinner on Saturdays due to lack of participation, except for possible special events. This may be a temporary suspension.
- Karaoke on Friday evening 7:00pm
- New website for Post 25 <https://alpost25az.org>

VOLUNTEER

Just a note: if you have received an unsolicited request by another POST to transfer, please report the incident to adjutantpost25az@gmail.com

Another note: If you have an interest in becoming part of a Post 25 Honor Guard, please contact the Commander or Adjutant to sign up...

We could use some kitchen help on Thursday & Friday. Cashiers or dishwashers are just a few of the needed assistance. Servers would need a food handler's certificate (which is easy to get). Just a few hours per month...
